## Register for an Assessment Examination

The National Registry provides an assessment examination for use by State EMS Offices seeking cognitive evaluation of a potential licensee. The assessment exam does not result in National certification. It serves only as an assessment. **Candidates should ONLY apply for an Assessment Examination when advised by their State EMS office.**

### Here's how to do it:

#### To Register for an Assessment Examination:

1. Login with your user name and password.
2. Under "My Current Role," select **Candidate**.

3. Click on **Create Certification Application**

7. Once your application has been approved by your State EMS Office and you have submitted payment, you will be granted an Authorization to Test (ATT) letter and a candidate ID which you will use to schedule your examination through Pearson VUE. Check your application page frequently for your ATT letter, as it will not be emailed to you.
