

TEXAS DEPARTMENT OF HEALTH
FISH AND SHELLFISH CONSUMPTION ADVISORY

ADV-22

This advisory is issued as a result of sampling of Lake Daingerfield in Daingerfield State Park, Morris County. Samples of fish taken from Lake Daingerfield indicate the presence mercury at concentrations that may pose a threat to human health if consumed.

COUNTY: Morris
AREA: Lake Daingerfield
SPECIES AFFECTED: Largemouth bass
CONTAMINANT: Mercury
CONSUMPTION ADVISORY: Adults should limit consumption of largemouth bass from this lake to no more than two (2) eight-ounce meals per month. Children should limit consumption of largemouth bass from this lake to no more than two (2) four-ounce meals per month.

This advisory shall remain in effect until rescinded or modified in writing.

Issued this 13 day of March, 2002.

C. E. Bell MD for
Eduardo J. Sanchez, M.D., M.P.H.
Commissioner of Health
