AQUATIC LIFE ORDER NUMBER 18

Pursuant to Chapter 436 of the Texas Health and Safety Code, and rules promulgated there under in Title 25, Texas Administrative Code, Chapter 241, it is hereby ORDERED that Aquatic Life Order Number 12 (AL-12) is hereby rescinded. Samples of fish collected from Mountain Creek Lake, Dallas, County —covered by AL-12 issued by the Texas Department of State Health Services (DSHS; formerly the Texas Department of Health) on April 25, 1996— indicate that the fish tissue PCB concentrations do not warrant a closure action. Subsequently, a fish consumption advisory, Fish Consumption Advisory 44 (ADV-44), will be issued recommending no consumption of fish from Mountain Creek Lake, Dallas County. This order is effective at 12:01 a.m., October 2, 2010, and remains in full force and effect until modified or rescinded by further written order.

Issued this 1st day of October, 2010, in Austin, Travis County, Texas.
