## Article V – MEETINGS

**Section 1 – REGULAR MEETINGS:** The ACTCR shall meet no less than two times per federal grant year. The time and place shall be arranged by the TCR ACTCR Coordinator or other members as assigned by the Chair or Vice-Chair unless specified by majority vote of ACTCR Members at a previous meeting. The agenda for each meeting shall be established by the TCR with input from ACTCR members, approval by the Chair and dissemination by the TCR ACTCR Coordinator.

**Section 2 – SPECIAL MEETINGS:** A special meeting (in person or by conference call) of the ACTCR may be called at any time by the Chair, the TCR Branch Manager or by majority vote of ACTCR Members to address specific or time-sensitive issues.

**Section 3 – NOTIFICATION:** Every regular or special meeting must be preceded by notice to members. Notification will be made by email by the TCR ACTCR Coordinator or TCR Branch Manager at least 30 calendar days prior to each meeting and at least 5 working days prior to special meetings. **Section 5 – MEETING MINUTES:** Meeting minutes shall be distributed by the TCR ACTCR Coordinator to all ACTCR members following each meeting for their review. These serve as a record of the major topics discussed and actions taken at the meeting. Members may approve the minutes from the last meeting at the next ACTCR meeting.

## Article VI – VOTING

Any member of ACTCR or the TCR Branch Manager or ACTCR Coordinator may request that members vote in order to determine members' opinions, preferences, or advice on a matter of relevance to the ACTCR or the TCR.

**Section 1 – VOTING:** Any individual member may cast only one vote on any question called to a vote. If an individual ACTCR member is not able to participate in the voting process, only then may his or her appointed delegates vote in lieu of that member.

**Section 2 – CASTING BALLOTS:** Votes may be counted by a show of hands, voice vote, written ballot, and/or electronic poll. Votes may take place at a general or special meeting. In the case of a vote taken during a meeting, all members joining the meeting by phone and in person shall have the opportunity to be included in the tally. Absentee voting may be allowed for matters being voted on in a meeting, in which case the TCR ACTCR Coordinator shall notify all members of this possibility and provide a deadline for responding. Votes may also take place in between meetings as long as all members are notified and given a clear deadline to respond at least seven calendar days after the time of notification.

## **Article VII – OFFICERS**

**Section 1 – SELECTION OF ACTCR OFFICERS:** This section describes the process by which ACTCR members may become officers for the ACTCR for defined commitments of time. As described in Article IV, the ACTCR officers are the Chair and the Vice-Chair. Officers shall be selected by nomination from membership or appointed by the TCR Branch Manager. When the Vice-Chair position is vacant or soon-to-be vacant, the TCR ACTCR Coordinator will solicit the members for nominations for a new Vice-Chair.

Selection options are as follows:

- If two or more individuals are nominated, the TCR Branch Manager and/or TCR ACTCR Coordinator will contact each person to determine if they accept the nomination to become Vice-Chair. If two or more individuals accept nominations, the ACTCR Vice-Chair shall be approved by an affirmative majority vote of the ACTCR members voting (or plurality in the case of more than two candidates), following the provisions described in Article VI.
- If only one individual is nominated, the TCR Branch Manager and/or TCR ACTCR Coordinator will contact that person to determine if they accept the nomination to become Vice-Chair.
- If no nominations are submitted and/or accepted, the TCR Branch Manager will appoint a member to become Vice-Chair.

The newly elected Vice-Chair shall assume the role of Chair when the current Chair's term is expired, thus the Vice-Chair may also be known as the Chair-elect. The Vice-Chair shall become the Chair and the new Vice-Chair shall take his or her new position immediately upon selection.

In order to promote smooth transition, the current Vice-Chair is encouraged to approach a member or members about running for election to the Vice-Chair position in anticipation of the yearly election. Members are also encouraged to indicate interest in running for Vice-Chair without having been approached by communicating with the TCR ACTCR Coordinator in writing.

**Section 2 – TERMS OF OFFICE:** The Chair will serve in the position for four regular meetings, a period lasting approximately two years. When the Vice-Chair assumes the position of Chair, selection of a new Vice-Chair will be initiated during meeting which transition takes place. Term lengths may be amended as needed with agreement of term among TCR Branch Manager, TCR ACTCR Coordinator, Chair, and Vice-Chair. After at least six months of leaving an officer position, a former officer becomes eligible again for consideration as an ACTCR officer.

## **Article VIII - MISCELLANEOUS PROVISIONS**

**Section 1 - COMPENSATION:** Elected ACTCR officers and members will not be compensated for their time and effort or expenses related to attending meetings.

**Section 2 – DONATED HOURS AND EXPENSES:** As part of its grant with the CDC-NPCR, the TCR reports matching funds (in-kind expenses) provided by others in support of the registry. ACTCR members may be asked to report hours and expenses on the "Donated Hours Form" at each regular ACTCR meeting to include any activities undertaken in support of the TCR since the last regular meeting.

## **Article X - ADOPTION AND AMENDMENTS OF THE OPERATING PRINCIPLES**

Any members may propose changes to the Operating Principles. Members may take a vote to propose changes to the Operating Principles to the TCR Branch Manager. TCR staff may also initiate proposed changes to the Operating Principles and solicit ACTCR member input.

Since the Operating Principles are an agreement between the TCR Branch Manager and stakeholders, they shall go into effect if endorsed by the TCR Branch Manager and a majority of the ACTCR members voting at the time a vote is called to make changes. Voting by members shall follow the process described in Article VI.

## **Article IX – CONTINUATION OF THE ACTCR**

Stakeholder involvement with the TCR is important to ensuring high quality data are collected and disseminated for use in cancer prevention, control, and research activities. The ACTCR will remain in existence so long as stakeholder input provides value to the Texas Department of State Health Services (DSHS) Cancer Epidemiology and Surveillance Branch (CESB).
